

Program Schedule

August 2025

AUG 8

Books in the Park: 10-11am

Join ACPD and Ashland Public Library for engaging story-times in our parks! Listen, visit the Bookmobile, and then join us for a discovery walk to explore nature! @ **Davy McClure Outdoor Education Center**.

AUG 9

Something Fishy! 9-11am

Join ACPD and Ashland Soil & Water CD for a fun, kid-friendly fishing event! Fishing poles & bait will be available, plus demonstrations for beginning anglers and programs about aquatic habitats! @ **Davy McClure Outdoor Education Center**

AUG 12

Evening Hike: 6:30-8pm

Let's walk into the wild before bedtime! Join us for a moderate hike to explore the park in the evening and witness wildlife that wake up when our day is almost done. @ **Byers Woods**.

AUG 14

"I Spy" at the Nature Center: 5:30-7:30pm

Drop in anytime and grab a scavenger hunt to complete, then wander the park using your eyes, ears, and other senses to explore nature! @ **Davy McClure Outdoor Education Center**.

AUG 21

Nature Explorers Club: 4-5pm

A monthly club for elementary-aged kids (6-12 yrs old) to explore the outdoors and learn about the natural world. Children must be accompanied by an adult. @ **Davy McClure Outdoor Education Center**.

AUG 22

Monarch Mission: 10am-12pm

Discover the fascinating world of monarch butterflies! We'll read a few stories about monarchs, then explore the park to see if we can spot any! Find out what you can do to help this iconic insect. @ **Byers Woods**.

AUG 26
AUG 28

Homeschool Program: 10am-12pm

Homeschoolers (6-12 yrs old) can enjoy engaging activities and time in nature while learning about the natural world. **Registration required** (choose Tuesday OR Thursday). **Davy McClure Outdoor Education Center**.

AUG 27

Ageless Adventures: Nature Journaling 9:30-10:30am

Adults 55+, join us for a relaxing morning as we connect with nature through journaling! Journals and basic art supplies will be provided. This program will take place indoors or under cover if the weather is inclement. @ **Davy McClure Outdoor Education Center**.

Program Schedule

August 2025

AUG 28

Managing Meadows for Maximum Diversity: 5-7:30pm

Join us and local experts to learn about managing and improving existing upland habitat. Topics include promoting biodiversity, managing invasive species, and more! Snacks will be provided. This event is free but **registration is required by Friday, August 22th at this link (or scan the QR code):**
